Re: Glen Cove Esplanade II  
Proposal for Engineering Services  
CP 5101/CE 1008

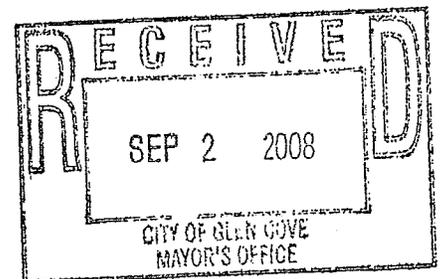

Dear Ms. Morris:

In accordance with your recent discussions with Alan J. King, Jr., P.E., Cameron Engineering & Associates, LLP respectfully submits our Engineering Services Proposal for Engineering Consulting Services on the referenced project.

The engineering services will be provided by Cameron Engineering at the request of the City for the following items:

1. Attend coordination meetings with the City and the Contractor.
2. Attend coordination meetings with the City and its consultants.
3. Participate in conference calls with the City.
4. Participate in the City meetings to review the project.
5. Review of project documentation as requested.
6. Preparation of technical memorandums, emails, and correspondence.

This letter represents the entire Proposal. In order to initiate this contract, please authorize this Proposal in the space provided and return one copy with an original signature to Cameron Engineering & Associates, LLP for our records. The engineering fee for the work will be performed on a time card (hourly rate) basis in accordance with the attached Billing Rate Schedule, which is valid until December 31, 2008 when an updated schedule will be provided.

Re: Glen Cove SCO/Water Property  
Proposal for Engineering Services  
CP 5173

Dear Ms. Morris:

In accordance with your recent discussions with Alan J. King, Jr., P.E., Cameron Engineering & Associates, LLP respectfully submits our Engineering Services Proposal for Engineering Consulting Services on the referenced project.

The engineering services will be provided by Cameron Engineering at the request of the City for the following items:

1. Attend coordination meetings with the City.
2. Prepare Conceptual Layout Plans.
3. Preparation of technical memorandums, emails, and correspondence.

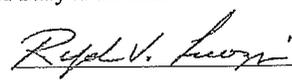

This letter represents the entire Proposal. Please provide formal authorization of this Proposal. The engineering fee for the work will be performed on a time card (hourly rate) basis in accordance with our approved Billing Rate Schedule.

We thank you for requesting this Proposal and appreciate the opportunity to continue to work with you on this project. Should you have any questions, or wish to discuss any item in greater detail, please do not hesitate to contact me.

Very truly yours,

  
Alan J. King, Jr., P.E., LEED AP  
Associate
