**CITY OF GLEN COVE LOCAL LAW 02 - 2016
AMENDING SECTION 109-7 OF THE CITY CODE:**

Section 1: Legislative Intent and Purpose.

Section 109-7 of the Glen Cove City Code authorizes the Harbormaster to issue permits for maintaining mooring equipment within the anchorage areas. The City desires to be reasonably compensated for the costs associated with the maintenance and use of mooring equipment based on a permit fee schedule to be set by the City Council.

Section 2: Authority.

This local law is enacted pursuant to the authority of Section 46a of the Navigation Law of the State of New York authorizing municipalities to adopt a local law which may restrict and regulate the anchoring or mooring of vessels in any waters within or bounding the appropriate city.

Section 3: Legislation:

BE IT ENACTED, that the City Council hereby amends the Glen Cove City Code §109-7 to read as follows:

§109-7. Mooring permit required; duration; transferability.

The Harbormaster shall be authorized to issue mooring permits for residents, non-residents and commercial vessels for a fee to be set from time to time by the City Council for maintaining mooring equipment within the anchorage areas. No mooring shall be placed or mooring boats anchored without such permit and payment of the fee. Such permits shall expire on the first day of January on the year succeeding the year in which it was issued, and shall not be transferable.

Section 4: Separability.

If any part or provision of this Local Law or the application thereof to any person or circumstance be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part or provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this Local Law or the application thereof to other persons or circumstances, and the City of Glen Cove hereby declares that it would have passed this Local Law or the remainder thereof had such invalid application or invalid provision been apparent.

Section 5: Repealer.

The section of the City Code known as “§109-7 Mooring permit required; duration; transferability,” is hereby repealed and replaced with the above enacted legislation.
