

“Fill-a-Bookbag” Drive

***Let's Help All Our School Children Start Off
On the Right Foot in September!***

Each year, the Glen Cove Youth Bureau collects back to school supplies for disadvantaged youth in Glen Cove. The supplies are presented, along with a backpack, to children who otherwise would not have the items they need to succeed in their studies.

Last year, 266 children in grades K – 12 received back to school supplies from this program. We are hoping to be able to assist as many, if not more students this year.
